Annexure B to the Proposed Deal Module

Special Conditions

1.1 Effective Date

Notwithstanding clauses 2.2(a) and (b) of the Agreement, the parties agree that this Deal Module will come into effect on the Module Commencement Date.

1.2 Indicative Delivery Window

The Indicative Delivery Window detailed in Annexure A shows the anticipated timeframe (in Business Days) from the date that nbn notifies the Target RTC Date to the Date for Practical Completion in respect of each Premises and is indicative only. It does not constitute or amend the Target RTC Date for any Premises and must not be relied upon by the Customer, including for the purpose of making representations to Downstream Customers.

1.3 Target RTC Date

- (a) Subject to paragraph 1.4(b) of this Annexure B, **nbn** must notify the Customer a Target RTC Date for each Premises within 45 Business Days of the Module Commencement Date. Each Target RTC Date notified to the Customer for a Premises is binding for the purposes of clause 4.2(a) of the Agreement (subject to any extension as permitted under clause 4.2(b) of the Agreement).
- (b) Unless otherwise agreed by the parties, if **nbn** has not provided the Customer with a Target RTC date for a Premises in accordance with paragraph 1.3(a) of this Annexure B, the Deferred Charge will be reduced by the Delay Amount, multiplied by the number of calendar days between the date **nbn** was obliged to provide the Target RTC Date for a Premises and the date **nbn** notifies the Customer of the Target RTC Date for that Premises.
- (c) The parties acknowledge and agree that if the Minimum Required Information for a Premises changes after a Target RTC Date for that Premises has been notified to the Customer, **nbn** may, within 15 Business Days of notice of the change from the Customer, alter the Target RTC Date by notice to the Customer.
- (d) Clause 4.4(a) of the Agreement does not apply to this Deal Module.

1.4 Minimum Required Information

- (a) Within 30 Business Days of the Module Commencement Date, the Customer must, using the form determined by **nbn** from time to time, provide all the Minimum Required Information in relation to each Premises to **nbn**'s reasonable satisfaction.
- (b) Without limiting clause 4.2(b) of the Agreement, the date on which **nbn** must provide a Target RTC Date for a Premises (in accordance with paragraph 1.3 of this Annexure B) will be automatically extended by a period of time equal to each complete calendar day between the date that is 30 Business Days after the Module Commencement Date and the date all the Minimum Required Information for that Premises is provided by the Customer to **nbn**.
- (c) Notwithstanding any provision of this Agreement to the contrary, unless otherwise agreed by the parties, the Customer will be deemed to have cancelled the Premises under clause 4.6 of the Agreement on the first anniversary of the Module Commencement Date if as at that date **nbn** has not received all of the Minimum Required Information for that Premises.
- (d) Prior to the Date of Practical Completion for a Premises, Customer must, as soon as reasonably practicable of becoming aware of any errors or omissions in, or changes to, the Minimum Required Information provided to **nbn** for a Premises, notify **nbn** of any corrections or updates to the Minimum Required Information.
- (e) Customer must, as soon as feasible, provide any additional information reasonably requested by **nbn** in relation to the Premises for the purpose of completing the Technology Change at that Premises.
- (f) "Minimum Required information" means:
 - i. *[#insert only where not already received by **nbn**: the Premises address and any site trading name;]*
 - ii. the contact details of:
 - A. a representative for the Premises with whom **nbn** can engage with to manage site access, and an escalation contact in respect to the same; and
 - B. a Customer representative and an escalation contact at the Customer;
 - iii. in relation to the Premises:
 - A. whether or not that Premises is a priority for delivery;
 - B. any requirements for access to third party premises or approvals from third parties which are necessary for the **nbn** Activities to occur;
 - C. any requirements to undertake survey, construction or installation activities at the Premises outside of business hours (being 8am to 5pm local time);
 - D. any embargo periods when survey, construction or installation activities are to be avoided;
 - E. if the Premises is in a complex site (being a shopping centre, heritage site, data centre, airport, university campus, railways station, wharf, or other site with special access considerations);
 - F. any security measures to be complied with prior to access to the Premises;
 - G. the desired placement position of the NTD/B-NTD (as applicable) (e.g. wall mount/rack mount (and if rack mount confirmation that there is space for three (3) rack units in the rack));
 - H. if the Chosen Technology is FTTP, if Battery Backup is required at the Premises;
 - I. if the Chosen Technology is EE, if dual power supply is required at the Premises, and the Interface type for the B-NTD; and

- J. if the Premises has AC or DC power;
- iv. in relation to health and safety:
 - A. policies (including any information regarding any induction requirements in accordance with clause 6.1(f)(i) of the Agreement;
 - B. any HSE induction requirements or training or accreditation requirements to be completed prior to access to the Premises;
 - C. any other HSE standards, work practices, or approvals that must be complied with, or HSE documentation that must be provided by **nbn** prior to access to the Premises;
 - D. any prohibited installation tools, equipment or plant that cannot be utilised on the Premises; and
 - E. if the survey, construction, or installation activities will involve work in hazardous or restricted location (such as, but not limited to, facilities in relation to the storage or handling of dangerous goods, defence or mining sites, schools, childcare or correctional facilities, high security facilities, remote/isolated locations);
- v. any other special instructions in relation to the **nbn** Activities (if relevant); and
- vi. any other information notified by **nbn** as Minimum Required Information from time to time.
